Retractable Pergola & Outdoor Zip Screen Blinds

KEY FEATURES :

- Sturdy Version of Retractable Awning.
- Powder Coated Aluminium Support Pillars on all 4 sides.
- Both Aluminium Slats & Fabric coverings are available.
- Can take larger span than a traditional Awning.
- Obvious choice for high velocity wind areas.
- LED lights & Motorised mechanism makes it a users delight.

FUNCTIONALITY:

Kent Zip Screens act as a barrier against the elements, providing sun protection, wind resistance, and privacy. They also help to reduce glare and block UV rays.
